Crash Occurs After
Takeoff Near Fort
Dix for England

FORT DIX, N. J. (UP)—A C118 military transport plane plummeted into a swamp minutes after it took off into a violent electric storm Friday, killing 45 persons and injuring 21 aboard.

A rescue task force of 700 soldiers and airmen, 60 ambulances, Army bulldozers and a crane worked five hours to rescue the survivors from a wild area of pine forest and swampland on the Fort Dix Army Reservation.

A rescue worker reported "ambulances running around like crazy on the dirt roads leading from the crash scene."

The four-engine plane, a military version of the civilian DC6, crashed about 4 p. m. EDT Friday, after it took off from McGuire Air Force Base near Fort Dix for Burtonwood, England.

Two Children Aboard
Atlantic Division headquarters of the Military Air Transport Service said the plane carried a crew of 10 and 56 passengers including 41 airmen, nine officers and six civilians. The civilians included two men, two women and two children.

The Air Force indicated that some of the victims may not live through the day.
The Friday the 13th crash was the first for the MATS Atlantic Division since its organization eight years ago. It was the sixth worst military plane crash in Air Force history.

Roy H. Williams, a New Jersey state game warden, was driving along a dirt road when he heard the crash. An experienced woodsman, he made his way over the difficult terrain to the wreckage about three miles from the end of the southwest runway of the air base.

Removes Dying Soldier
He dragged a soldier loose, Williams said, "and I said, 'Are you all right soldier?' He said, 'No, I'm gone,' and his face dropped forward. He was dead, just like that."

The white and silver plane cut a broad swath about 300 yards long through pine forest and heavy brush, scattering wreckage in four main pieces over a half-mile area. The plane did not burn.

Rescue workers said first the wings were ripped off, then the tail section and the fuselage was broken into two large parts.

The soldiers and airmen aided by volunteers from central New Jersey towns used axes to hack their way through the pines and undergrowth. They sloshed through hip deep mud and water to reach the victims.

Col. John D. Lavelle, McGuire Air Force Base commander, said a board of inquiry to investigate the crash would be named today.

Tornadoes Ravish Areas in Kentucky, Colorado, Kansas; East Warming Up

By United Press

Tornadoes ripped through the Midwest Friday night, ravishing areas in Kentucky, Colorado and Kansas, while severe thunderstorms churned the skies over other central states.

In Walton, Ky., a twister ripped several houses off their foundations, caused numerous but minor injuries and crippled communications by blowing down power lines all over the region. Traffic on U. S. Route 25 was reported hopelessly snarled for over three hours.

A small tornado was sighted near Otis, Colo., Friday afternoon. Authorities said it was moving toward the Nebraska border and gathering force on the way. No damage had been reported, but warnings were up over the two-state area. Some

tornado activity was reported over the plains of Kansas.

Elsewhere, hail and lashing winds raged over west central Missouri and north central Oklahoma, while a freak twister pounded across a five-block area in Audubon, N. J., causing heavy property damage and injuring at least seven persons, including a 10-year-old girl who was reported in critical condition.

The prospect for more tornadoes seemed probable, the weather bureau said, with two general trends sweeping the nation. In the East, there was a general warming up of about six degrees from Tennessee and Kentucky through the Middle and North-Atlantic coastal states.

Cool air dropped the temperature over the Great Lakes region about eight degrees in less than 24 hours. In the Rocky Mountains and throughout the Pacific Coast states, temperatures have taken a 10-degree nose dive in a day's time.

If shifting winds cause the east to swap weather with the Great Lakes and Western states, tornadoes are likely in the Midwest on Sunday, the weather bureau said.

Seven Anti-Reds Seize Hungarian Plane in Flight

Await Asylum
By West Germany
After Bloody Action

INGOLSTADT, Germany (UP)—Seven anti-Communist Hungarians, who won a daring gamble to hijack a flying Hungarian airliner and escape to the West, today waited for West Germany to grant them political asylum.

The blood-stained smashed interior of the transport gave mute evidence to the ferocity of the battle in which the anti-Red band overpowered the Red crew and flew across the Iron Curtain to freedom in West Germany Friday.

West German police reported that 12 of the plane's 19 occupants were hospitalized for injuries received during the struggle between the band of anti-Reds and the crewmen of the Hungarian National Airlines plane.

Planned In Advance

The anti-Reds prevailed and with one of their number—a Hungarian air force lieutenant—at the controls flew the twin-engine plane across Austria to a landing at a partially constructed airstrip at Manching, 10 miles south of this Bavarian town near the Czech border.

Passengers and crewmen were splattered with blood when they left the Russian-made plane.

Josef Jakoby, a 25-year-old student from Budapest, and one of the anti-Communist band, said that the escape had been planned long in advance.

He said they went into action shortly after the plane left Szombathely on a regular flight from Budapest. After seizing control, he said, they headed westward until the fuel ran low.

Jakoby said that the anti-Communists were armed with brass knuckles and blackjacks for their dramatic escape attempt. At a pre-arranged signal, he said, "We proceeded to knock out all the other passengers."

Man and Woman Dragged to Death by Train

HICKORY, N. C. (UP)—A man and a woman were dragged clanking and screaming to their death here Friday afternoon when a speeding passenger train smashed into a truck at an intersection and ground it beneath its wheels.

Two youths, one the son of the dead woman, leaped to safety from the rear of the truck and then watched horror-stricken while the vehicle was crushed with its occupants inside.

The dead were identified as driver Tom Warren, 55, and Mrs. Paul Huffman, 42, a housewife. The youths, who saw the train approaching and leaped to safety, were Paul Junior Huffman, 13, and Billy Davis, 16, also of Hickory.

Burke County rural policeman Ralph Wilkinson, an eyewitness to the tragedy, said he saw the train shoving the truck before it two grade crossings from the point of impact. Wilkinson said he could see the man and woman clanking to escape.

To File Charges Against Lydon

CHICAGO (UP)—Police officials announced Friday they plan to file charges against patrolman William D. Lydon, 47, whose name has been linked with an investigation of missing warrants in the state auditor's office.

Police Commissioner Timothy J. O'Connor said he would seek Civil Service action against Lydon, on grounds that he failed to indicate on his police application that he had been indicted for murder in 1924.

Lydon, then 16, orally admitted with another youth and two teenage girls to the strangulation murder of a Chicago woman. The youths later repudiated their confessions, and were subsequently acquitted by a jury.

Lydon replied "No" to a question on the police application concerning whether he had ever been indicted or convicted of a crime. O'Connor said this application will provide the nucleus of the Civil Service charges against the policeman.

Lydon is president of Fabric-Crafts Sales Co., which has received nearly \$300,000 in controversial warrants from State Auditor Orville Hodge's office.

Unavoidable Accident Ruled In Boy's Death

An inquest into the cause of death of Carl Naas, nine year old son of Mr. and Mrs. Herbert Naas, Ridgway, who was fatally injured Wednesday afternoon when he fell from a truck, was held last night at the city hall in Eldorado by Coroner Elmer Gibbons.

The jury found his death was due to an unavoidable accident in which he was thrown from a truck which ran over his head and chest.

Three witnesses were called to the stand, Glen Hise, Roy Wargle and Bobby Naas, brother of the deceased.

Testimony showed that Wargle and Bobby and Carl Naas were standing on the flat truck bed holding to the cab with Carl standing between the two, and Glen Hise was riding in the truck with the driver, Herbert Naas, father of the two Naas boys.

The road on which they were traveling was being graded, and when Mr. Naas attempted to go around the grader, the truck hit a pile of loose gravel, throwing off Bobby and Carl Naas. The left rear dual wheel ran over the top part of Carl's body, and the boy was dead upon arrival at the Ferrell hospital.

Light Plane Crashes; 3 Dead

PETOSKEY, Mich. (UP)—Civil aeronautics officials today probed the wreckage of a light plane trying to find some clue as to why it crashed near here Friday night, killing its three passengers.

State police identified the victims as Emil A. Michaels, about 47, and his wife, Marjorie, 44, of Lombard, Ill.; and Mrs. Michaels' brother, Bernard Cassidy, about 47, of Chicago.

Police said they believed the trio was on its way to Harbor Springs, Mich., to pick up Cassidy's wife, Lois, who had competed in the women's transcontinental air race, "The Powder Puff Derby," and had just finished another women's air race from Flint, Mich., to Pellston, Mich.

The plane crashed into a hill about six miles southeast of here.

Shawnee Hills Ass'n Receives Inquiry For Picnic by 1,000

The Shawnee Hills Recreation association, organized to publicize southeastern Illinois as a tourist attraction, is gaining widespread attention even though it has been in existence just a short time.

It is possible the area will be host to a large company all-day meeting and picnic, to be attended by approximately 1,000 people.

George Scherrer, president of the Shawnee Hills Recreation association, has announced a representative of a company doing business in Arkansas, Missouri, Kentucky and Illinois, has made inquiry regarding the possibility of holding the company's meeting in this scenic area.

Although the picnic would be only a one-day affair, those persons coming from a distance would remain in the area at least one night. This would mean business for motels, hotels, restaurants, service stations, etc.

And it could be the beginning of many more similar meetings.

William Taylor, 51, Of Raleigh Dies

William Taylor, 51, resident of Raleigh, died Friday afternoon at the Harrisburg hospital.

The body will lie in state at the Courtney funeral home until funeral time which will be Sunday at 3 p. m. at Mt. Pleasant Social Brethren church, northeast of Raleigh. The pastor, Rev. Nomas Somers, will officiate and interment will be in the Masonic cemetery at Raleigh.

Mr. Taylor leaves his wife, Ora A., and the following children: Barbara Jean Taylor, William Taylor Jr., George L. Taylor, and Anna Marie Taylor, all at home.

Marilyn Greeted Like Queen Upon Arrival in England with New Hubby

LONDON (UP)—Marilyn Monroe arrived in Britain today wearing a revealing beige dress and pushed away microphones with the pronouncement that she liked to talk to men "personally."

Airport officials treated the Hollywood movie star like a queen for the day.

"It's wonderful to be in England," Miss Monroe said as she leaned against a tea counter in the airport building after clearing customs.

Husband Arthur Miller sheltered Miss Monroe with a protective arm as she stepped out of her overnight plane from New York and peered at the rain through sunglasses. She was wearing a tight-fitting beige dress and carried a cream-colored raincoat over her arm.

"I," she breathed, "would like to talk to reporters personally." Loud laughter rolled from the newsmen packed 10 deep around

Senate Group Restores Funds After Ike Appeal

WASHINGTON (UP)—Administration forces said today President Eisenhower's personal urging won his major victory on the battered foreign aid program in the Senate Appropriations Committee.

The big question now is will the President's influence make the victory stick when the \$4 billion bill reaches the Senate floor next week.

The badly-split committee voted 13-8 Friday to restore virtually all of the more than \$600 million the House slashed the appropriation for the aid program to \$3.4 billion.

The \$4 billion appropriations bill will be brought up for Senate debate next Tuesday or Wednesday. It faces determined efforts to cut it on the floor.

For the first time in the history of the foreign aid program, the measure was opposed by more Democrats than Republicans in the appropriations committee.

When the final showdown came, the increase was put across by a committee coalition of five Democrats and eight Republicans. Six Democrats and only two Republicans voted against it.

Democratic Rally At Anna July 17

A Democratic rally for the entire 25th congressional district will be held at the Anna city park, Tuesday, July 17, starting at 7 p. m.

Somebody in the rear of the crowd kept shouting, "Two oranges please."

It got so bad that questioners shouted their inquiries to Sir Laurence Olivier who is to star with her in a forthcoming film. Olivier repeated the questions to Miss Monroe and then shouted the answers back with his famed Shakespearean diction knifing through the noise.

Miss Monroe is working on a new picture, "The Sleeping Prince." Miller will work on the British production of his play, "A View From the Bridge."

Quits Shortly After Records Are Subpenaed

Wright Submits
\$270,000 Claims
For Checks Cashed

CHICAGO (UP)—The president of a Chicago bank resigned late Friday, shortly after a federal investigation was launched to determine the bank's possible connection with up to one million dollars worth of checks issued by the state auditor's office under "questionable circumstances."

A spokesman for the Southmoor Bank and Trust Co. said the resignation of Edward A. Hintz had been accepted by bank directors.

A few hours before Hintz's resignation, the U. S. attorney's office had subpoenaed records of the bank, which has been prominent in the investigation of checks issued by the office of State Auditor Orville E. Hodge.

The investigation, which has dimmed Republican hopes of carrying the key state of Illinois for their party next fall, was started after several supposed recipients of the checks claimed they never got them.

Sangamon County State's Atty. George Coutrakon has charged that some 42 checks issued by Hodge's office, totalling from \$500,000 to \$1,000,000 were cashed under "questionable" circumstances.

Wright Presents Claim

U. S. Atty. Robert Ticken said the bank's records were subpoenaed for possible criminal prosecution under a federal law that protects banks insured by the Federal Deposit Insurance Corp. The law provides against "fraudulent depletion of the assets of a bank insured by the FDIC," according to First Asst. U. S. Atty. Frank McGarr.

Earlier Friday, State Treasurer Warren E. Wright demanded almost \$270,000 from the bank, which he claimed represented state checks cashed at the bank by persons that were not entitled to them. When he was refused the money, Wright said he'd seek legal action against the bank.

Several checks were endorsed with a typewriter, and others were apparently signed by one person. Meanwhile, Coutrakon has begun a marathon questioning of all employees in the auditor's office to try to unscramble the puzzle of the missing checks. He has pointedly implied that his investigation would be speeded up if Hodge were replaced.

Hodge has refused to supply Coutrakon with the names of any employees that might provide information about the missing checks.

Seeks \$5,000 In Damage Suit

Bobbie Little, through her attorneys, Glen O. Jones and Traf ton Dennis, has filed a \$5,000 damage suit against Glenn L. Bryant in Saline County Circuit Court.

The suit is the outgrowth of an oil well drilling operation on land owned by the plaintiff.

The complaint states Bobbie Little owns 7.5 acres of land in Section 20-8-7, except the mineral and oil. It also states that on May 19 oil well drilling equipment was moved onto the land, without the permission of the plaintiff, and that crops and land have been damaged.

Wheat Quota Vote Friday, July 20

Friday, July 20, is the date when
growers will determine how they
want to market their 1957 wheat
crop. Herman Driskell, chairman
of the County Agricultural Stabili-
zation and Conservation committee
reminded farmers today.

Farmers who will harvest more
than 15 acres of wheat as grain on
a farm in 1957 are eligible to cast
ballots in the wheat quota referen-
dum. Polling places will be set
up in convenient locations in the
county, and wheat growers will be
notified where they may vote.

A two-thirds favorable vote will
mean that marketing quotas and
penalties on excess wheat will be
in effect for the 1957 wheat crop.
Under quotas, too, price support
to growers in the commercial area
who comply with their wheat acre-
age allotments will be at the full
level available—between 75 and 90
percent of parity.

If more than one-third of the
growers voting disapprove quotas,
the quotas will not be in effect,
and the available price support on
the 1957 wheat crop to those who
comply with farm wheat acreage
allotments will be at a level of 50
percent of parity.

When a marketing quota pro-

gram is in effect, the excess wheat
of a grower who does not comply
with his farm wheat acreage allot-
ment and who has more than 15
acres of wheat for harvest as grain
on the farm will be subject to a
marketing quota penalty. This pen-
alty will be equal to 45 percent of
the May 1, 1957 parity price for
wheat.

Chairman Driskell emphasized
that the vote is on wheat market-
ing quotas and not wheat allot-
ments. Whether or not the vote
is favorable on the quotas, acreage
allotments will be in effect for the
1957 wheat crop.

Marketing quotas have been ap-
proved by growers voting in referen-
dums for the past three wheat
crops. Last year, 77.3 percent of
the growers voting favored quotas
for the 1956 crop.

Plow Immediately For Fall Seedings of Grass and Legumes

If you are planning to fall-seed
grasses and legumes, you will
need to plow right now so that
moisture can accumulate.

J. A. Jacobs, agronomist at
the University of Illinois College
of Agriculture, recommends plow-
ing within the next two or three
days if your fall seeding is for
pasture renovation. If the seed-
ing follows a crop of small grain,
plow soon after harvest, especial-
ly if the small grain has been
combined. That's to keep down
volunteer grain.

Seed legumes starting the first
week in August and no later than
September 1. Jacobs points out
that fall seeding is more success-
ful for alfalfa than for red clover.
Birdfoot trefoil seedlings are
favored in the fall because they
have less weed competition.

Seed mixtures of grasses and
legumes late in August to favor
the grass. Grasses tend to be
more winter-hardy, Jacobs ex-
plains, and grow later in the fall.
You can seed grasses until Octo-
ber 1.

Band-seeding will be especially
valuable for late summer seed-
ings. You can adapt a grain drill
to place fertilizer in a band under
the forage seeding. Packing is
very important in late summer
seedings because of the high tem-
peratures and dry weather.

Farmers with small forests have
a significant place in the nation's
commercial timber picture. Indi-
vidually, each holding seems so
small that it probably does not get
the attention that it needs. Often
the farmer does not consider that
he has a part in a resource that is
important to the future of the na-
tion and its industrial life.

A small fact sheet from the U.
S. Forest Service Timber Resource
Review points out the importance
of small forests. Here are some
of the significant facts:

More than half of the nation's
commercial forest land is in com-
paratively small private holdings
of less than 5,000 acres. There are
four and one-half million such pri-
vate holdings and they average
about 60 acres each.

Holdings of less than 100 acres
account for one-fourth of all the
commercial forest land and include
84 per cent of the total number
of private owners. One-half of all
the private forest owners—2,250,
000 of them—own less than 30
acres of timber land each, but all
of these together account for only
six per cent of the total commer-
cial forest land area.

Such small forest holdings often
are in poor condition, reflecting
past over-cutting and lack of care.
The need for better management
in the future is evident. The low
stand per acre on these holdings
limits their present importance, of-
ten leading to additional neglect.
However, these stands have great
potential importance and have a
vital place in supplying the future
timber needs of the nation.

The educational exhibit portion
of the Illinois State Fair egg show
this year will be open only to ju-
nior exhibitors for the first time,
according to a report coming
through Richard D. Creek, poultry
specialist at Southern Illinois Uni-
versity. He thinks farm youth in
Southern Illinois ought to go after
some of the 14 awards that will be
divided between two age groups.

Any Illinois resident between the
ages of 10 and 20 may enter the
exhibit. Entry blanks may be ob-
tained by writing to the Illinois
State Fair, Springfield. Each ex-
hibit requires a 50-cent entry fee.

Creek says there are five cash
and two ribbon awards in each of
the two groups. In the 10 to 14
years old group the first prize is
\$80; second, \$40; third, \$20; and
fourth and fifth, each \$10. The
slightly higher awards in the 15
to 20 years old group are \$80, \$60,
\$30, \$20, and \$15.

The purpose behind this program
is to illustrate through the medium
of exhibits a good quality program
for eggs from producer to consum-
er. In rating exhibits, judges will
be looking for their general effec-
tiveness in telling the egg quality
story, their artistic values, and
their sales appeal.

Each exhibit may occupy a six-
by-four-foot floor space with a six-
by-six-foot wall area at the back.
When all the available spaces have
been taken, entries will be closed.
Each youthful exhibitor must have
his entry ready for judging by 10
a. m. (DST) August 11 and must
leave the exhibit with the Fair un-
til noon on August 17. The 1956
Illinois Fair dates are August 10
to 19, inclusive.

Screw Worms Are Summer Threat To Livestock

A good fly control program
and prompt veterinary attention
for the wounds of animals are
keys to prevention of losses from
screw worms during the summer,
says Dr. R. E. Bradley of the
University of Illinois College of
Veterinary Medicine.

In the life cycle of the screw
worm fly, the larvae (maggot
stage) live only on the living
tissue of the warm-blooded ani-
mals.

The adult fly lays its eggs in
wounds, the navels of newborn
animals or in moist folds of skin
on livestock. When the eggs
hatch, the worms burrow into
and eat surrounding tissue, mak-
ing wounds worse. The larvae
may even burrow into the body
cavity and open the way for se-
rious infection. Screw worms in
sufficient numbers in an animal
may cause death.

When the worms are 7 to 10
days old, they drop to the ground
and in a few more days they ma-
ture into flies. This life cycle starts
all over again and continues
throughout the summer.

Screw worms cannot survive in
temperatures below 50 degrees.
They are usually spread north
each spring via shipments of ani-
mals from southern states.

For prevention of screw worm
damage, northern farmers should
inspect newly purchased livestock
carefully for signs of infestation.
Surgical operations such as de-
horning and castrating should be
done when the weather is cold
enough to kill the flies.

Prompt attention to wounds and
injuries and use of dressings to
repel the flies is important. A fly
control program will help break
up the rapid life cycle of the
screw worm.

Illinois Crops Show Growth

SPRINGFIELD (UP)—The Illi-
nois corn crop shot up more than
a foot last week and now averages
almost five feet tall, the State
Federal Crop Reporting Service
said today.

Both corn and soybeans "con-
tinue to show tremendous growth,"
the service said, with corn tasseling
well ahead of the normal 15
per cent for this time of year.

The crop service said nearly 40
per cent of the soybean crop has
begun blooming, well above aver-
age for this time of the year.

"Slightly improved" soil moisture
conditions were credited for part
of the increased corn and soybean
growth.

The service said about 33 per
cent of its correspondents reported
soil moisture shortages, 65 per cent
reported "ample" soil moisture,
and 2 per cent a surplus.

A "surprisingly good" wheat
crop has been about 80 per cent
harvested, the crop service said,
compared with a five year average
of 74 per cent for this date. "Re-
ports from all sections of the state
indicate that yields were high and
quality good."

Explain Soil Bank Acreage Reserve Payments

You'll be able to earn about
\$54 an acre on an estimated yield
of 60 bushels of corn an acre from
corn acres designated for the acre-
age reserve of the soil bank.

The total amount you earn will
depend on the amount and kind
of acreage you designate for the
acreage reserve and the practice
you carry out to qualify for acre-
age reserve payments, reports the
County Agricultural Stabilization
and Conservation Committee.

You can take part in the acreage
reserve in one of three ways:
1. You may have underplanted
your (crop) allotment (base acre-
age). You then certify that you
underplanted either in anticipation
of complying with the 1956 acreage
reserve or because of adverse weather
conditions.

2. You have complied with your
farm allotment (or base acreage)
for corn, but you did not harvest
an acreage of the crop because of
destruction by natural causes.

3. You have complied with your
farm allotment (or base acreage)
and, before the deadline for carry-
ing out such practice, you plow
or otherwise physically incorporate
the crop into the soil or clip, mow
or cut the crop.

Payment for underplanting will
be based on the normal yield for
the farm. Thus the higher yield-
ing acreage will bring a larger pay-
ment per acre. The payment for
destruction by natural causes or
for plowing or cutting will be based
on either an appraised yield for
the field or the normal yield for
the farm, whichever is smaller, but
it will not be less than \$6 an acre.

The chairman emphasized the
point that the acreage reserved
must not be cut for hay or cropped
for the entire calendar year 1956
and must not be grazed after June
22. Noxious weeds must also be
controlled.

The final date for signing acre-
age reserve agreements is July 20.

**8,900,000 Persons
Working on Farms**

WASHINGTON (UP)—The Agri-
culture Department reported Tues-
day that about 8,900,000 persons
were working on farms during the
week of June 17-23.

Of this total, 6,500,000 were op-
erators and unpaid members of
their families, and 2,400,000 were
hired hands. The number of family
workers was 4 per cent less than
a year earlier. The number of
hired hands was 3 per cent less.

Farm wage rates on July 1 av-
eraged 5 per cent more than a
year earlier.

Miss Mary Edith Barton Weds Anthony M. DeNicola Jr. at Gary, Indiana

Mrs. Anthony M. DeNicola Jr.

Miss Mary Edith Barton, daugh-
ter of Mr. and Mrs. John L. Barton
of Gary, Ind., and formerly of Har-
risburg, and Anthony M. DeNicola
Jr. of Gary were united in the
bonds of holy matrimony on June
30 at Holy Angels church, Gary,
Ind., at a Solemn Nuptial High
Mass. The ceremony was performed
by the Rt. Rev. Msgr. John A.
Sullivan, pastor of Holy Angels
church. Assisting at the altar were
the Rev. Albert Van Nevil who
served as deacon and the Rev. Ed-
ward Marino, sub-deacon. The Rev.
Mr. Edward Misch was master of
ceremonies for the solemn rites.

The bride was attired in a floor
length gown of white imported
Italian lace over tulle and taffeta.
A scoop neckline and short sleeves
highlighted the fitted bodice. Her
elbow length veil was secured to
a matching tiara trimmed with
rhinestones and pearls and she car-
ried a bouquet of white orchids
and phalaenopsis backed with white
nylon tulle. Her pearl necklace
and earrings were a gift from the
groom.

Miss Regina McCormick of this
city, childhood friend of the bride,
was her maid of honor. Miss Mc-
Cormick wore a floor length gown
of ice blue tulle over taffeta and
carried yellow sweetheart roses on
an ivory fan with ice blue ribbon.
Her headpiece was a blue velvet
bandeau with nose veil.

Bridesmaids were Miss Jean Bar-
ton, sister of the bride, Miss Dixie

Nipper, Miss Ann Marie Inhat, Miss
Pamela Mack and Miss Lillian De-
Nicola, the bridegroom's sister. Their
gowns were identical with that
of the maid of honor and they
carried pink sweetheart roses on
ivory fans.

Little Misses Helen Wuich and
Deborah Baumeister were flower
girls. They wore full-skirted short
white dresses and carried baskets
of pink carnations.

The bridegroom chose for his
best man his brother-in-law, Gus
Graziano of Chicago, and the fol-
lowing close friends for his ushers:
Lee Richey, Bernard Misch, An-
drew Andrey, Joseph Camaretta
and James Gallagher.

The bride's mother was attired
in a pink silk dress and duster with
white accessories and wore a cor-
sage of white roses. The mother
of the bridegroom wore a dress of
navy and white sheer with white
accessories and a corsage of white
roses.

Brunch was served to fifty close
friends of the newly married cou-
ple at noon and a reception and
dance was held in the evening at
the Steel City Veterans of Foreign
Wars Post.

The newlyweds departed for a
wedding trip at the Wisconsin Dells
after which they will be at home
at New London, Conn., where the
bridegroom is stationed with the
navy.

Mrs. Mildred Butner has been
selected by Beta Theta Pi fraterni-
ty, Champaign-Urbana, to be house
director at their fraternity during
the coming 1956-57 term of school.
She will go to Champaign the lat-
ter part of August.

Mr. and Mrs. Bert Barger, Pon-
tiac, Mich., formerly of Harris-
burg, are visiting her sisters and
their families, Mrs. J. D. Austin
and Mrs. Herschel Yarbrough, the
latter at Eldorado.

Mr. and Mrs. George Killman
have returned home from Abi-
lene, Texas, where they have been
visiting their son-in-law and
daughter, Staff Sergeant and Mrs.
James L. Sweat, who are the par-
ents of a baby boy born June 30.
The baby weighed six pounds, 14
ounces and was named Jimmie
Lee. They have a daughter, Deb-
bie Dee, who is two years old. Sgt.
Sweat is the son of Mr. and Mrs.
Cecil Sweat of Harrisburg RFD
2.

risburg friends of Mrs. R. E. Chois-
ser of Long Beach, Calif., telling

In Memoriam
In loving memory of Walter V. Lutwinski, who passed away 13 years ago July 19th.
Sunshine passes, shadows fall,
Love's remembrance outlasts all.
And though the years be many or few,
They are filled with remembrance, dear, of you.
Sadly missed by mother and brother, John. 14-1

In Memoriam
In loving memory of our dear wife and mother, Mrs. Ruth Sandage, on the first anniversary of her death, July 14, 1936:
Time speeds on, one year has passed
Since death its gloom, its shadows cast
Within our home where all seemed bright
And took from us a shining light
We miss that light, and ever will,
Her vacant place there's none can fill.
Down here we mourn, but not in vain;
For up in heaven we'll meet again.
Sadly missed by her husband, Bill Sandage, and children, Gene Dale, Donald and LaDonna Hughes. 14-1

HOLD TIGHT!

Ever find yourself caught out in the middle of a storm with your umbrella blowing itself inside out?

There you are, clinging like mad to that frail bit of cloth and metal . . . and you realize that if the wind gets one whit stronger your "protection" is going to blow right out of your hands.

Fortunately, it doesn't hurt to get wet, so losing your umbrella wouldn't be much of a tragedy. But when you're caught in one of the other types of storms life deals out . . . a storm that buffets at your inner sense of security . . . or your idea of right or wrong . . . a storm that tries to undermine your marriage, or your career . . . or a storm of sickness or strife . . . then it's a very different matter.

How fortunate that in those more difficult moments, you don't have to rely upon something as flimsy as an umbrella. How fortunate that you can turn to the Church and find in it solace, protection, courage, and the faith to keep going. You will find that the Church is a shelter that will always protect you.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

'Jesus is The Saviour of Men'

Hebrews 2:9-13; 4:14-16; 5:7-9
GOLDEN TEXT: "Being made perfect, he became the author of eternal salvation unto all them that obey him." Heb. 5:9

INTRODUCTION: Last week from the Book of Hebrews we found Jesus presented as the Son of God. From that same book now we see him presented as the Saviour of men.

The Book of Hebrews shows Jesus as the "Mediator" or go-between. He is the One who goes between man and God. He is the High Priest going right behind the veil of the temple to make the blood sacrifice for our soul's ransom from eternal hell.

I JESUS "TASTED DEATH FOR EVERY MAN" (2:9)

"It is not the will of God that any should perish, but that all should come to everlasting life." The prophets of old foretold the coming Saviour. Isaiah, that great prophet of the Old Testament, not only told how he would come into the world, but he also told how he would die a sacrificial death as a covering for our sins.

Here we are told that Jesus was made a little lower than the angels for the suffering of death. He was crowned with glory and honor that he by the grace of God should taste death for every man.

II JESUS SUFFERED FOR YOU (2:10)

Friend, you deserve eternal punishment and death for your sins; but Jesus has suffered all that for you—if you by faith accept the free gift of salvation. (Ephesians 2:8)

It was so very difficult for the Jews in his day to accept him as the promised Messiah. The centuries have passed, and his true relationship to God and man have been proven. He is the Son of God, the Saviour of men.

III JESUS' LOVE PROVEN (2:11-13)

When we accept Christ as Saviour, we become the "sons of God and heirs of God and joint heirs with Jesus Christ." He is not ashamed to call us "brethren." Just think what it means to be

a member of the family of God. What a blessed privilege to have daily fellowship with Him, with Christ, and with the Holy Spirit. Man in business, on the job, how can you possibly live without him? Woman in the home, or elsewhere, how do you manage to face life's problems without Jesus?

IV JESUS PROVIDES (4:14-16)

We are assured that we have a high priest. He has "passed into the heavens," and his name is "Jesus the Son of God." We are urged to "hold fast to our profession."

We are invited to "boldly approach the throne of grace, that we may obtain mercy, and find grace to help in time of need." What a blessed privilege!

CONCLUSION — JESUS, THE AUTHOR OF SALVATION (5:7-9)

Our sins were a great burden upon our Lord when he walked upon this earth. He approached the Father with "strong crying and tears" because of our sins. He became our Saviour through obedience to the will of God. It was not easy to bear our sins on a cruel cross, but He did it. He alone was perfect enough to do it. He alone could pay such a price. "God loved us so much that He gave His only begotten Son that whosoever believeth in Him should not perish, but have everlasting life." (John 3:16) He is the Saviour of men!

Babe Zaharias Undergoes Surgery

GALVESTON, Tex. — Doctors at John Sealy Hospital indicated today they will know "in a day or two" if an operation performed on Babe Didrikson Zaharias, famous woman athlete, to ease the pain of cancer, is successful. It will take that long, a hospital spokesman said, before they will know if complications from Friday's three-and-a-half hour operation set in. A spinal nerve controlling the lower part of her body was severed. The spokesman declined to say if that means the Babe, who won fame the world over as an Olympic star and renowned professional golfer, will have to get along without being able to use her legs.

Grimm Studies Three or Four Offers

MILWAUKEE — Charlie Grimm, recently let out as manager of the Milwaukee Braves, says he's willing to let this season roll by before making up his mind which of "three or four positions" to take. Grimm emphasized that all of the positions are in baseball but not with the Braves.

Braves Beat Dodgers Twice To Regain First Place as Phils Top Reds; Cards Win

Milwaukee shouldered its way back into first place in the National League today and the guy leading the way was big, jolting Joe Adcock, who bombarded the Dodgers so hard that it may take them a long time to dig out.

Brooklyn pitchers aren't scheduled to face Adcock again for more than two weeks, but after the misery he caused them Friday night in helping the Braves sweep a two-night doubleheader, 8-6 and 6-5, they'd be much happier if they could avoid him the rest of the season.

Adcock blasted his 14th homer of the season with one on off Don Newcombe to cap a six-run rally in the first inning of the opener and then returned to smash his 15th homer with the bases full off Carl Erskine in the sixth inning of the nightcap.

Something about Brooklyn's pitching seems to bring out the best in Adcock, who drove in five of Milwaukee's seven homers in 13 games against the Dodgers this season, and the battered Brooks still remember how he hammered four homers and a double in one game against them on June 31, 1954.

Dark Beats Giants

Adcock's homer in Friday night's nightcap equalled his total for 1955 and wiped out a 4-1 Dodge lead. Jackie Robinson homered to tie the score at 5-all in the eighth, but the Braves won in the bottom of the frame when Danny O'Connell hit a sacrifice fly with the bases full. Ernie Johnson was the winner in the first game while Lew Burdette gained his 10th victory in the nightcap.

The two victories put the Braves a full game ahead of the Redlegs, who dropped a 6-4 decision to the Phillies. Left-hander Curt Simmons, aided by home runs off the bats of Stan Lopata and Granny Hamner, survived a shaky start to post his fourth triumph. Brooks Lawrence, trying for his 13th consecutive victory, gave way for a pinch hitter in the second inning but Tom Acker was charged with the defeat.

Al Dark beat his ex-teammates, the Giants, for the second straight night when he cracked out his fourth straight hit, a double that drove in two runs in the eighth and gave the Cardinals a 7-5 victory. On Tuesday night Dark also snapped a tie by hitting a sacrifice fly with the bases full. Re-

Zulueta Wins Upset Decision Over Lightburn

NEW YORK — Former lightweight contender Orlando Zulueta of Cuba and seventh-ranking Ludwig Lightburn of British Honduras probably will be matched for a return TV-radio fight at Washington, D. C., Aug. 31, because of the debate over Friday night's upset decision favoring Zulueta at Madison Square Garden.

Veteran Zulueta, a 3-1 underdog, received the unanimous decision at the end of their TV 10-rounder after Lightburn had been penalized the seventh session because of a low left hook. It was one of Lightburn's better rounds. Zulueta weighed 136 1/2 pounds; Lightburn, 138.

Some of the estimated 1,200 fans booed the verdict. And a poll of 13 sports writers at the ringside favored Lightburn, 8-5.

Baltimore Orioles Buy Relief Pitcher from Chicago White Sox

BALTIMORE, Md. — The Baltimore Orioles purchased Morris Martin, a 33-year-old left-handed relief pitcher, from the Chicago White Sox Friday for the \$10,000 waiver price.

Manager Paul Richards said he would make room for Martin on the Baltimore roster by asking waivers on Bobby Adams, a utility infielder who has appeared in 41 games and has a .225 batting average.

Martin has appeared in 10 games for the White Sox this season, all in relief. He has a 1-0 record, notching his only triumph against the Orioles. Martin had a 2-3 record last year with the White Sox.

Local Coal Belt Team to Play Herrin At VFW Park Sunday

The Harrisburg Coal Belt league team will play Herrin Sunday at 2:15 p. m. at the VFW park near the fairgrounds.

Batteries for Harrisburg will be Dowdy and Vick; for Herrin Smith will hurl and T. Jones will catch.

12-11, in a game marked by the use of 12 pitchers. The Senators used seven hurlers, the winner being Connie Grob who made only one pitch in the eighth inning. Each side collected 13 hits with Roy Sievers homering for Washington and Frank Bolling for Detroit.

CARBONDALE, Ill. — Two power companies serving southern Illinois have made a \$10,000 grant to Southern Illinois University for use by the department of community development, it was announced today.
SIU President D. W. Morris said two checks for \$5000 each had been received from the Central Illinois Public Service company and the Illinois Power company to help the University's community development program.
Richard W. Poston, director of the community development department, said part of the money would be used to produce a 30-minute documentary film. The grant will also pay some of the traveling expenses of an industrial consultant recently added to the staff.
The consultant, Robert Henderson, will establish contact with industrial realtors and other business concerns in an effort to attract new factories to southern Illinois.
